The National Commodity Supplemental Food Program Association (NSCFPA) is asking you to sponsor our national conference which will be held on Sunday, June 9th – Wednesday, June 12th at the Westin Alexandria in Alexandria, VA. The theme of this year's conference is 50 Years Great from State to State as we are celebrating the Commodity Supplemental Food Program's (CSFP) 50th year.

The NCSFPA mission is to provide leadership in program advocacy, sustainability, models of delivery of healthy foods and nutrition education to nourish the golden years. The vision is to provide healthy foods and nutrition education for all eligible seniors through the Commodity Supplemental Food program fully throughout the United States and its territories.
