Nicole Cook
Cleveland, OH

Megan Loberg-Simmering
Omaha, NE

The National Commodity Supplemental Food Program Association (NCSFPA) invites you to showcase your services at our 50 Years Great from State to State Conference being held Sunday, June 9th – Wednesday, June 12th at the Westin Alexandria in Alexandria, VA.

The National CSFP Association mission is to provide leadership in program advocacy, sustainability, models of delivery of healthy foods and nutrition education to nourish the golden years. The vision is to provide healthy foods and nutrition education for all eligible seniors through the Commodity Supplemental Food program fully throughout the United States and its territories. The Commodity Supplemental Food Program distributes nutritionally designed monthly food package which aids low-income individuals known to be vulnerable to malnutrition during critical period, to those 60 years of age or older.

NCSFPA is a member organization of State agencies, community organizations, and food banks who operate CSFP. The national conference is an opportunity for these organizations to come together to learn, share best practices, and to network.

150 attendees are expected at this year's conference. Vendors will be part of an exhibitor section and will have the opportunity to interact with attendees throughout the 3 days. Each exhibitor will be provided with one 6-foot table and two chairs. The cost is \$725 and will include admittance to the reception on Sunday night as well as breakfast and lunch each day of the conference for one person. Registration and payment in full for the event must be received by May 1, 2018. The registration form is attached and payments can be made through our website at www.ncspfa.org.

We look forward to sharing this unique and exciting event with you and the National CSFP Association community.

Please feel free to contact me if you have any questions or need additional information. I can be best reached at klefort@harrychapinfoodbank.org or 239-334-7007 ext. 124
