National CSFP Association Board of Directors 2025

The Purpose of the NCSFPA is to:

Represent

Represent the CSFP community.

Connect

Provide a connection between local and state CSFP agencies and the USDA.

Promote

Promote CSFP as improving the health and nutritional well being of seniors.

Provide

Provide a national network for the CSFP community.

Benefits of Membership:

Maintaining positive relations with national partners

Supporting the advocacy efforts of the NCSFPA and providing a collective voice for policy and funding needs on a national level

Webinars and technical assistance for state and local agencies + access to member only content

Networking space to share best practices and address challenges, etc.

Ability to serve on the board, vote in Board elections, and to participate on select Board committees

Reduced registration fee for Annual Conference

State-Level Membership

The State-Level Membership Rate is a **simplified way to provide membership to all** CSFP agency staff within your state.

This includes CSFP staff from both the State Agency, all CSFP Local agencies, and ITOs.

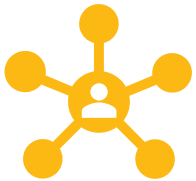

What Does That Mean?

It means that...

Your State can pay for one membership for all CSFP Agencies in your state.

A Local Agency can pay for one membership for all CSFP Agencies in your state.

Several CSFP Agencies can pay for individual memberships that together cover a State Level membership for all state CSFP agencies.
